

LITTLE SPARROWS NURSERY SCHOOL

HELLO
February

Polar Bears, Penguins and Igloos oh MY! **It's SNOOOO Secret that God is BRRRR-linet!** Children have been learning about Antarctica's wildlife and the different animals' habitats. The classrooms are full of snowy crafts celebrating these beautiful animals. In Mrs. LaRosa's classroom the children enjoyed playing with fluffy snowballs and Ms. Marilyn's class practiced fine motor skills as they squeezed glue from a bottle and food coloring from an eyedropper.

Mystery Readers....Shhhhh.

Thank you to our January mystery readers: Ms. Elise M., Ms. Carla L., Ms. Gina D., and Ms Demi Z. It is such a joy to watch the children's faces light up when their loved ones enter the classroom.

School Spirit Week- February 13th -17th

Do you know where your school t-shirt is...how about your favorite sport's jersey? If not, that's okay. You can wear our school colors (royal blue and yellow) and/or visit <http://littlesparrowsns.logosoftware.com> to purchase your spirit wear.

Chapel Time

In January, 3'S and 4's participated in Pastor Rachel's Chapel lesson. The children learned new songs, watched a short video and studied the dear friendships between Jesus and his disciples.

MAD Science and Music

The 4's enjoyed learning how sound travels by participating in a MAD Science experiment and all the students enjoyed another fun music class with Ms. Dolores.

What's next...

- February 6th Special Guest Dentist visits each classrooms
- February 14th -Happy Valentine's Day parties, Class parents will be in touch.
- February 13-February 17th- School Spirit Week
- February 20-24th- Winter Break
- February 27th- School Resumes
