

# Little Sparrows Nursery School News You Can Use!

## Welcome Back Little Sparrows Families & Friends!

Teachers and staff members are thrilled the 2023-2024 school year has started. Classrooms are decorated, play areas are ready,, cubbies tagged and new toys and books are ready to stimulate the minds of our little sparrows.

### It was a busy Summer!

Thank you to the staff of Ridgeway Alliance Church for updating our phone system, improving wifi connections and adding more cameras. In addition, thank you to Jose and Frank for the abundance of painting they did and if that wasn't enough a new therapy room was completed for therapists and children to use.

Ms. Marilyn's 2's meet and greet.

Prudence arrives at school in style! Welcome Back, Prudence.

### New Faces to Welcome

We are excited to welcome **Mr. Carlos** to the Ridgeway and Little Sparrows staff. You will find Carlos' smile contagious as he cleans and disinfects our school. Next, we are thrilled to welcome Ms. Dora and Mrs. Mondazzi to the Little Sparrows Family. **Ms. Dora** has a Masters in Early Childhood, Childhood and Special Education. Ms. Dora is no stranger to Little Sparrows; her children attended Little Sparrows Nursery School while she taught 2nd grade for many years. We are so happy to have Ms. Dora back at Little Sparrows! In addition, all of Mrs. Mondazzi's three children attended LSNS. **Mrs. Mondazzi** will be teaching in the 3's classroom. She has her masters degree in literacy and certification in teaching pre-school and grades 1-6. Mrs. Mondazzi was a kindergarten teacher for 13 years. Children are enjoying Mrs. Mondazzi's enchanted classroom theme.
